## Volunteers wanted!

### What is the Odensehuis?

The ODENSEHUIS is an information and meeting centre for people with early stages of dementia and their relatives, friends and neighbours. It meets the need for social contact, information, activities and support.

Along with a team of dedicated volunteers we organise all kinds of activities to stimulate body and mind.

### Interested in becoming a volunteer?

Most important is to have empathy and to show respect for our participants. Experience with people with dementia is not necessarily required.

If you would like to join the team of volunteers, please contact us to make an appointment.

### When is the Odensehuis open?

We are open from Monday until Friday, 9.00 – 17.00 hrs.

### Where to find the Odensehuis?

The address is Hesselink van Suchtelenweg 6 in Wageningen (it's a large white building called de 'Hooghe Stee').
